Just draw a picture and your image will automatically come to life. Hello, we are glad to be back again! Pixaloop Pixel Animation is a totally new app for Android users, developed by Microsoft with a great goal: to make your photos more alive. We created Pixaloop Pixel Animation to make your photos even more amazing and original. Do you like a cool moving picture of your own photo? Here, you can create a new photo by drawing a picture. Once you finish the drawing, Pixaloop will automatically fill in the drawings to turn the pictures into a cool photo. After you've made your photo, you can also make it move automatically by drawing a path. We will be continuously updating Pixaloop to make your photo more wonderful and more exciting, so you don't have to worry about it. We hope you will like our Pixaloop Pixel Animation App and will come back for more fun. You can find a detailed description of the features in our Help section.
